---

**Walk-in Wednesdays**

**Time:** 8:00am

The Conemaugh School of Nursing and Allied Health Programs is now offering Walk-in Wednesdays! Interested in pursuing a career in healthcare or have questions about where to start? Just walk right into our Education building directly across from the main entrance of Conemaugh Memorial Medical Center in Johnstown. The event is held from 8 am - 3 pm and includes tours of the facilities, financial aid sessions, faculty interaction and more. Join us on Wednesdays to start your career in healthcare.

**Lunch & Learn - Skin Cancer**

**Time:** 12:00pm

May is Skin Cancer Awareness Month and we want you to be prepared and ready for that summer sun. Corrin Fesko, CRNP, CANS, is hosting a FREE Lunch & Learn event on Skin Cancer at Conemaugh Miners Medical Center on Wednesday, May 1 at noon. Lunch will be provided for all who attend. Additionally, FREE skin cancer screenings will be available immediately following the event, from 1 - 3 pm. Be sure to RSVP to reserve your spot by calling 814.247.3101.

**Wound Care Symposium**

**Time:** 8:00am

Conemaugh Health System is proud to host the annual Wound Care Symposium. A full day event held at the Living and Learning Center at the University of Pittsburgh at Johnstown, join us on Friday, May 3 to hear from local providers about the many aspects of wound care. The event is open to all wound care specialists, students and interested healthcare professionals. The final day to register for the event is April 23, so save your seat today at

[Calendar.conemaugh.org/event/wound-care-symposium/](https://calendar.conemaugh.org/event/wound-care-symposium/)

### **Healthy Hearts**

**Time:** 5:00pm

Conemaugh Nason Cardiac Rehab is hosting their monthly Healthy Hearts seminar on Wednesday, May 15. Join Tammy Schreiber, CRNP, at Nason Cardiac Rehab at 5 pm to learn about Heart Failure. RSVP to Ali at 814.224.6153.

### **Stroke Awareness Month Event**

**Time:** 11:00am

Join us on Friday, May 17th from 11 am - 1 pm in the Atrium of Conemaugh Memorial Medical Center for an educational event about Stroke Awareness for Stroke Awareness Month. The event is open to the public. Giveaways and education opportunities will be taking place.
